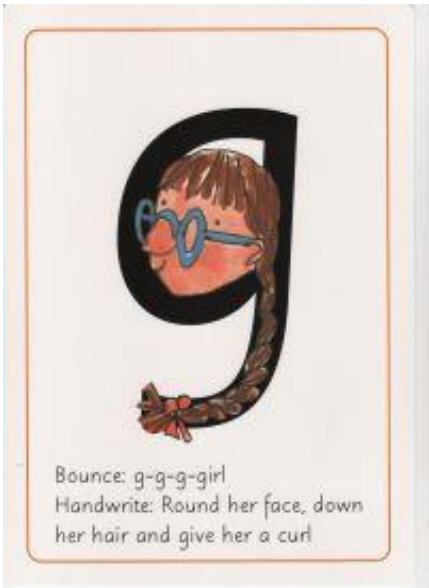
Home learning activities -Date: 2nd October 2026

Literacy

During our Read Write Inc sessions the children have been learning the sound 'g.'

Activity: Support your child in saying the sound correctly whilst searching for some items in your house that start with the sound 'g' e.g. gloves, glasses, grapes.



Maths

This term the children have been practicing to count accurately.

Activity:

Sing a counting rhyme-**"10 fat sausages sizzling in a pan"**

- When children are singing they are training the brain in a fun and active way to learn about number and counting
- Use the fingers to represent the ducks and keep checking in with your child with the question "how many now?" – They should begin to say the number without re-counting all their fingers
