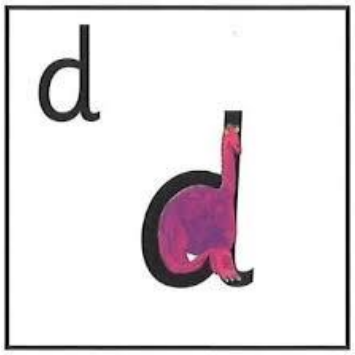
Home learning activities -Date: Friday 18th September 2026

Literacy

During our Read Write Inc sessions the children have revisited the sound 'd'

Activity: Support your child in saying the sound correctly whilst searching for three items in your house that start with the sound 'd' e.g. door, dinosaur, doughnut. The letter 'd' is a short bouncy sound, 'd-d-dinosaur.'

To write the letter: Round his bottom, up his tall neck and down to his feet.



Maths

The math's theme this term is number and pattern.

Resources:

- 2 types of coins (silver and bronze)

Activity:

- Count to 5 – lift your finger up, one at a time as you say each number name. Encourage your child to copy you.
- Hold up your fingers and ask your child, "how many fingers am I holding up?" They can count to check. As they become more experienced at counting they should begin to say the number without re-counting all the fingers.
- Make a pattern using the coins, e.g. 10p, 2p, 10p, 2p, 10p, 2p etc. ask the child to give you the next coin in the sequence
- Sing any number rhyme-when children are singing they are training the brain in a fun and active way to learn about number and counting.
